- The backbone of our operations are three basic plants: Anode Plant, Electrolysis Plant and Casthouse;
- Our products are: Billets, Slabs, Small Ingots and Wire;
- We have the capacity to produce 130,000 tones of primary aluminium and additional 30,000 tons from solid primary and secondary aluminium remelting, with additional alloying;
- We are certified according to ISO 9001 and ISO 14001 standards.

# Investing in B&H

- A strategic location to European, Middle Eastern and Asian markets;
- Pan-European Corridor: Corridor Vc going from Hungary through Croatia and B&H, to the Port Ploče (Republic of Croatia);
-  Well developed road and railway network;
-  4 international airports Banja Luka, Sarajevo, Mostar, Tuzla with multiple daily flight to major European cities;
-  2 river ports and 2 international ports.

Sarajevo – Belgrade	206 km	/	128 miles
Istanbul	930 km	/	578 miles
London	1620 km	/	1006 miles
Munich	708 km	/	440 miles
Paris	1349 km	/	838 miles
Rome	516 km	/	320 miles
Vienna	511 km	/	317 miles
Zurich	859 km	/	533 miles
Zagreb	288 km	/	179 miles

# Investing in Aluminij

## *INTERNAL FACTORS*

- **The largest production of primary aluminum in SE Europe**
  - 160.000 MT/y;
- **Availability of liquid metal**
  - The largest electrolysis plant in this part of Europe;
- **The ability to quickly adapt to requirements and needs;**
- **Internal infrastructure;**
- **Extensively modernized factory plants**
  - Technologies: Hydro, Wagstaff, Outotec, Hertwich...;
- **Know-how**
  - High degree of application in production processes;
- **Energy efficiency and environmental protection;**
- **Positive references of the largest European buyers**
  - Glencore International AG;
  - Impol;
  - SAPA...;
- **Quality of products in the world's top level for 25 years now.**

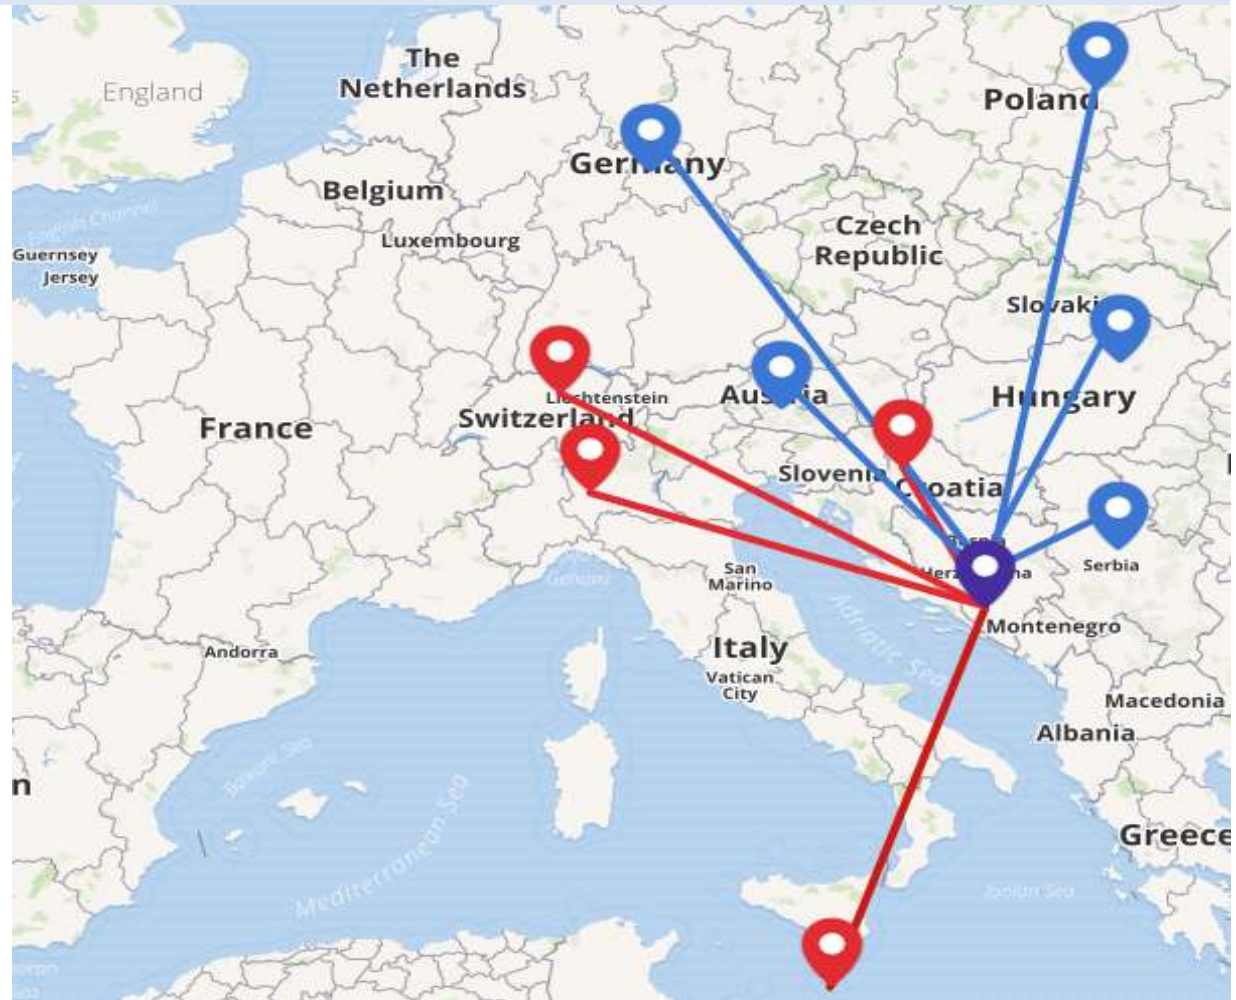

## *EXTERNAL FACTORS*

- **Geographic position**
  - (43°16'47" N 17°49'14" E);
- **Accessibility of the European market**
  - EU + non EU;
- **Infrastructure connectivity**
  - Airport, Port of Ploce, highways, railways...;
- **Preferable tax environment**
  - 10% corporate income tax.

# Existing and Desirable Markets

- **Red guidelines**
  - Direct sale;
- **Blue guidelines**
  - indirect markets – countries where Mostar's aluminum is used.
- **Desirable markets**
  - Expanding into further European locations.

# Strategy and vision of the future

- Establish the production of final products with added value;
- Increase in production of liquid metal - construction of new electrolysis plant of the same capacity (130,000 tons);
- Recycling of waste aluminium;
- Exceptionally high potential of energy production from green sources.

# Our name guarantees excellence!
